Subject Fw: Procedural Justice Training Overview

Hi Chuck: We are sending someone from BPD to the Executive Overview on October 27 as requested, and we need to know the hotels nearby the training location; also, the location when it has been identified.

We are sending the Captain of our Police Academy and he is asking me for the particulars so he can register.

Thank you.

Sir,

Attached are the stats that you requested for Strike Force and Housing arrests.

I also included a Excel Workbook that shows the arrests, gun arrests, and gun arrests rates per officer for the 7/1/16 - 7/1/17 time frame. It is currently sorted by all arrests but you can sort by gun arrests and gun arrest rates to gain a better understanding of the data.

Please review and let me know if you have any questions or need anything else.

Thanks,

The number of arrests from 7/1/16-7/1/17 and the number of gun arrests for both.
